

These are all the records of the birds I found at Banana Bank. I don't think there are any rare birds and all these records have been sent to the Belize Biodiversity Inventory System (BBIS) Database. The BBIS # arranges them by families - presumably the most primitive first.

BBIS#	Common Name	Genus and species	Date	Time	Country	Locality	Sex	Method	Number	Comments	Observer
40020	Little Tinamou	Crypturellus soui	07/03/2002	08:45	Belize	Banana Bank	U	H	1		Mark McReynolds
40050	Least Grebe	Tachybaptus dominicus	25/11/2000	07:05	Belize	Banana Bank	U	SI	1		Mark McReynolds
